## Lyrics

Now and then I think of when we were together  
Like when you said you \_\_\_\_ so happy you could die.  
Told myself that you were \_\_\_\_\_ for me  
But felt so lonely in your company.  
But that was love and it's an ache I still remember.

You can get addicted to a certain kind of sadness  
Like resignation to the end  
Always the end

So when we found that we could not make sense.  
Well you said that we \_\_\_\_\_ still be friends  
But I'll admit that I was glad that it was over

But you didn't have to cut me off  
Make out like it never happened  
And that we were nothing.

And I don't even need your love  
But you treat me like a stranger And that feels so rough  
You didn't have to stoop so low

Have your friends collect your records  
And then change your number  
I guess that I don't need that though  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know  
Now you're just somebody that I used to know

Now and then I think of all the times you  
screwed me over  
But had me believing it was always something  
that I'd done

And I don't wanna live that way  
Reading into every word you say  
You said that you could \_\_\_\_\_ it go

And I wouldn't catch you hung up on  
somebody that you used to know.

But you didn't have to cut me off

Make out like it never happened And that we  
were nothing  
And I don't even need your love  
But you treat me like a stranger And that feels  
so rough

You didn't have to stoop so low  
Have your friends collect your records  
And then change your number

I guess that I don't need that though  
Now you're just somebody that I used to know

I used to know

That I used to know

Somebody
